it of light afordek lands, and dried the ac-

r or in his midnighted on r or in word girlied with four. I did butly each frightened mount thered, the safety, behind him a pod through his ring of gold;

his girdle around him tight, d on Mars toppepare for fight, he courage of Mars was cold, came was forthe beautiful Earth.

ers her murmurs of joy and murth n she saw that direful raypalid moon bein d her field, ered with clouds her facility ! e.d. nt conceated in darkness lay. in eplender he could not dan— e of glory beamed so hop.

and let the attention and manners; engage much of your present attention in order to prepare you for the relations with the prepare you for the relations with your will be called to sustain in the busy scenes of life which are lying before you. You live in a very important ago, an age teaming with events, and it you will cach have a part to get in the grand scenery with the precedes, and is to prepare the way for the second coining of the Mestath You should eigheive to realize the coasquere of the period; and in etcacordingly. Let your thought be closed the let them rise superior on the superficial giance—the promous nothingular to the superficial giance—the promous nothingular to the fashion of this world which ever passes away, and study to make your walkes useful. By early habit, you will accustom yourselves to blond the use of the paths of your youth, and serve him the days of your youth.

accusing yourselves to blend the useful and the agreeable in such a branner that the every-day duties of life will be pleasurable; and that course of this which proposes the instea fulness, will not conduce to your individual bandings.

Trake the liberty on this occasion to experse my statisfaction and approbation of your conductin general, while and the probation of your conductin general, while and the probation of your conductin general, while and the probation of your conducting general, while and the probation of your conducting general, while and the probation of your conducting the property of the good—the honest and the upright of your probation and the probation which, with very few exceptions, you have paid to my instructions.

The progress you have made in your several that is, with the introduction, and the shonor is your retives. Hefore relinquishing the probation is very gratifying to me, and these honor is your retives. Hefore relinquishing the your gratifying to me, and these honor is your retives. It was a proper of that amiability, which have with many mistake for dignity, which by its repulsiveness is calculated to all. That kind of hautiness, of man her your gratifying the property of the god, who have tred the purple of the property of the god, who have tred the path of your your thin all your pursuits, have a wise reference to the manner of the property of the god, who have tred the manner of the property of the god, who have tred the manner of the property of the god who have tred the manner of the property of the god, who have tred the manner of the property of the god, who have tred the manner of the property of the god who have tred the manner of the property of the god who have tred the manner of the property of the god who have tred the manner of the property of the god who have tred the manner of the property of the god who have tred the manner of the property of the god who have tred the manner of the property of the god who have tred the manner of the property of the god who have tred the manner of the property of the god who have tred the property of the god who

selves meriou. By carry habit, you will set your faces as fluit to keep the contaction yourselves to blend the useful mand the agreeable in such a manner that the every-day duties of life will be pleasurable; and that course of fife while be pleasurable; and that course of fife while proposes the mist to fulness, will most conduce to year ind vidual happiness of orders. How much better—how much other—how the horizontal properties of the happiness of others, how much better—how much other—how the horizontal properties of the happiness of the happiness of these around you than to seek it in the indulgence of that stitle selfishmest of feeling which extends to failther, and has no other object than mere personal gratification?

Endeavor to cultivate sufficient independence of sind, that you will dare to do right—that will inspire you with most course groups to stem the tide of evil example realizing that the eyes of twill be the sample realizing that the eyes of twill be the sample realizing that the eyes of twill be the sample realizing that the eyes of twill be the sample realizing that the eyes of twill be the sample realizing that the eyes of twill be the sample realizing that the eyes of twill be the sample realizing that the eyes of twill be the sample realizing that the eyes of twill be the sample realizing that the eyes of twill be the sample realizing that the eyes of twill be the sample realizing that the eyes of twill be the sample realizing that the eyes of twill be the sample realizing that the eyes of twill be the sample realizing that the eyes of twill be the sample realizing that the twill be twill

leasily be cradic ted, and the deep in terest I feel it your present and future welfare. I must fee my spology if any is a criperion of propriety; therefore it welfare invested to be indulgent and furthering expecially in all cases which are merely and address on the present accession. Be extent of tests, where principles are an address on the present occasion. Be assured the estreat lesis which I have feel, and which I stiff feel, will not concerned; and allow to others every terms of piety and wirtup, and prepared for tests with the termination of my scholastic services.

The business in which I have been officially in the case of the control of my scholastic services.

The business in which I have been officially in the case of the control of my scholastic services.

And all the variety of fabris, man mers and understandings—and all the control of the services of the control of the services of the control mat are in the world, and be of that number was, having the harps of God shall sing the song of Moses and the Lombing the beautiful the glory of the land in the control of the control of

Gray the Cincianati Prices Carent.)

(From the Cincianati Prices Carent.)

The dishouesty of Bunks has afforded to continual theme of abuse in the slang of political partisans, for several years, especially upon the hope of logislative bodies, were the cuckoo note has been exclosed, until the public ser has become techned by its monotony. But when contrasted by its monotony. But when contrasted with the dishouesty of legislatives, we apprehend that of Banks with use nothing by the comparison. There is nothing by the comparison. There is nothing by the comparison. There is not the price of the contrast of the complex of the contrast of the contras

weerly newspaded,

THE NAUVOO NEIGHBOR!

We feel pleasure in announcing to our readers and to the se have determined to enlarge the Wasp to double its size; plame shall be completed, which will be on the 20th of Apr It made its appearance in the world near twelve months ago d in a very humble garb, and under very inpuspicious of an thought by many that its days would not be long in the cit would not survive the sickly season. Many of its ielde at they had attained to the size of manhood sneered contempt and the size of manhood sneered contempt and the size of manhood sneered contempt and the size of manhood sneered contempt.

As the young gentleman is now nearly a year old, we propose on his birth day it him on a new dress, and to make him deable the size, that he may begin to fool in the world, and not be ashamed of associating with his older brethren; and a has acted the part of a good samparitan, we propose giving him a new name-referor his name shall no longer be called THB W. ASP, but the NEIGHBOR. The "Naurdo Neighbor" will be published on a large imperial sheet; got up it off style, and with care, and taste. It will be edited by John Throng, and will devoted to the dissemination of useful knowledge of every description;—The as Science, Religion, Liberature, Agriculture, Manufactures, Trade, Commèrce I to general news of the day.

We propose publishing from the best authorities a Bank Note Table corrected ekly; and also a list of the prices current, if the principle Eastern and Westers as, as well as in our own city.

We shall publish a weekly record of deaths in our city, and all ordinances pass by the City Council; the proceedings of Courts Martial, Military Parades, the neight transpires in, and about our city.

re sent to Europe to effect an exchange with some of the principal newspa-ounden, Edintary, Dublin, and Liverpool, from which we shall be able-ted European friends, las well as American, news that will be interesting do now exchange with most of the principal papers in the Unided States west, north and south, we flatter ourselves, that with the facilities of ob-crimation that we possess, and a little care and attention on our part, tha so Neighbor! will be equal to the facilities of the contraction of the principal state of the contraction of the contract
