The phenomether was again seen tower the state of the property	rigging; the mainshil appeared to be clewed up in three places. What ren- dered the sight still more beautiful was the presence of a shadow of the vessel,	believe, says the "Capitol," that can and has said, "Arise, daughter—go see your daughter, for your daughter's daughter has a daugter."	Ashta-per lb.   Re   Pot.   7   8   8p   Pearl,   11   12   Va   Pearl,   12   Va   Pearl   14   15   16   17   18   18   18   18   18   18   18
"What an "extraordinary curve you have here here have here here in the spiner," said a gentleman to an Irish farmer, "said a gentleman to an Irish farmer," said a gentleman to an Irish farmer, "said you account for 1 args family, a still young and Jovely to have here heard, sir, and to be sure I am able. The property have here here here here here here here he	being reversed; as when thrown from a vessel actually moving through the water. This phenomenon was again seen towards the evening, but less distinctly visi-	sketch, from the pen of a Tory, is from a late number of Ainsworth's Magazine. "I had, in the morning, seen Mr. O Connel's bright-freed grand-daughter, as she	
woman. I had heard her express the most larm table to the property, the powers art, and to be sure I am able. I have heard, sir, and to be sure I am able. I have heard, sir, and to be sure I am able. I have heard, sir, and to be sure I am table. I have heard sir, that heard her express the most larm table opinion with evident ingenious claritable laboration in graph and the value opinion opinion with evid	ble. It appeared in the fog over the val- ley below Charlesburg. Quebec Mercu- ry. What an extraordinary curve your	came from the chapel to the house were I was staying. His daughter, the Lady Mayoress, had also called—a fair, intelli- gent creature; and, though the mother of	Coal-per ton,
honor, who bate him below—and I due from patricite, ambituse, or selfish mbituse, and the firm patricite, ambituse, or selfish mbituse, or what it may, the position I found the British manufacturers are endeavoring to bring out coits and trowers when the British manufacturers are endeavoring to bring out coits and trowers when the frame, and it is said they are quite sunguine of ultimately accomplishing their purpose—They will, per haps, next attempt to manufacture perhaps, next attempt to manufacture perhaps, next attempt to manufacture perhaps to text them, which may be necessary in order to get their wares to "fit."  —Selected.  "This is the last charge you'll bring a geant me, is the last charge you'll bring a match?" in another in another in a who we found the proper in the propose of the world to the world	to an Irish farmer; "can you account for it!" "By the powers, air, and to be sure I am able. I have heard, sir, and to be	woman. I had heard her express the most charitable opinion with evident ingenious- ness, and could not but admire the domes-	Hitsburgh—per bushel, 16 00 Prov. Misscuri and Illinois, 7 8 Be Coffee—per lb. 13 15 Te Hayana 8 91 —
Bad News for the Tuilors.—Some of the British manufactures are endeady to the British manufactures are endeady to the British manufactures are endeady to the frame, and it is said they are quite sanguine of ultimately accomplishing their purpose.—They will, perhaps, next attempt to manufacture perhaps to text them, which may be necessary in order to get their wares to "fit."  —Selected.  "This is the last charge you!" bring a match to inserve the manufacture of the word of one grant me, is a the also charge for the word of the words.  "This is the last charge you!" bring a match to inserve the manufacture of the word of one grant me, is a the soldier conversed when a match to inserve the propose. The word of one grant me, is a the soldier conversed when a match the inserve the propose. The word of one grant me, is a the soldier conversed when a match the inserve the propose. The word of one grant me, is a the soldier conversed when a match the inserve the propose of the word of one grant me, is a the soldier conversed when a match the inserve the propose. The propose is the propose of the word of one grant me, is a the soldier conversed when a match the inserve the propose of the word of one grant me, is a the soldier conversed when a match the inserve the propose of the word of one grant me, is a the soldier conversed when a match the inserve the propose of the word of one grant me, is the soldier conversed when a match the inserve the propose of the word of one grant me, is the soldier conversed when a match the inserve the propose of the word of one grant me, is the soldier conversed when a match the inserve the propose of the word of one grant me, is the soldier conversed when a match the inserve the propose of the word of one grant me, is a match the inserve the propose of the word of one grant me, is a match the inserve the propose of the word of th	honor, who bate him hollow and I dare say it's the raison that his back never got straight again."	from patriotic, ambitious, or selfish mo-	Laguayra, 8 10 —  Chocolate—No. 1, 13 15 —  No. 2, 12 14 —  Copper—per lb.
pishing their purpose.—They will, per beam is grain the sum of the property of	Bad News for the TailorsSome of the British manufacturers are endeav- oring to bring out coals and trowsers weren in the frame, and it is said they	friends and connexions surprised me. In the circle, all looked up to him as an idea of admiration and regard, I heard no polytest	Sheating, 35 00 — Bottom, 433 00 —
This is the last charge you'll bring a "how little indeed do we know of one gainst me, as the soldier remarked when another anger?" how the soldier remarked when another anger?" how the soldier remarked when another another anger?" how the soldier remarked when another another another another and the soldier remarked when another another another and the soldier remarked when another another and the soldier remarked when another anothe	plishing their purpose.—They will, per- haps, next attempt to manufacture per- sons to near them, which may be neces- sary in order to get their, wares to [6]."	"peopo at Darrynane, and his grand children at the mansion house; and, having seen quite enough of the world heaven help me).
