Nanvoo, Hancock County, Illinois, Wednesday, Jan. 17, 1844.

Whole Number 90

THE NAUVOO NEIGHBOR.

A MALON A MALON CONTROL OF THE MALON CONTROL OF THE

BORTET.

THE ODE OF GENIUS TO TRUTH by MISS E. R. SNOW. sup of thee prize thy presence more flan all the gifts of rightly treasured lore— sing thy praises—thou art all to me— crave no pow'r but that confer'd by thee.

we no pow visit that could be used to all beauties in thy features glow, from thy lips eternal fountains flow; the pure listre of thy radiant eye on thro' my soul and lift my nature high; master strokes that on my pulses roll out the omanations of thy soul.

e fierce tigress chide her churlish, t er on monster, vent its spiteful me owling reptils of the reptile school se oftenders of their puny rule— eets feel the weight of insects' pu ects' paw insects feel the weight of insects paw;
the transgression of an insect law;
thruth! thy advocate shall not descend
sortid means, thy honor to defend;
thon, O Truth! with roll ignobly bend
service measures, for a noble end.

Should lofty Genius strike a feeble string Should lefty Genius stifte a feelle string;
Nose in thy perspace Truth of Truth I'll Ring
Thein art the basis of each wently theme—
Thine is the lastre in each golden beam;
Wide as eternity, diffuse thy light
TIII proposs alay shall burst the shades of night;
Benjighted earth, Illumine with thy rays—
The slumbring gations, waken with thy blace

In falsehood's stream, let error bathe his soul And stander bend to envy's base control; Be thon, O Truth! my arbiter and guide— Beneath thy standard, betting feetbable— Let thy celestial banner be unfurly.

knowledge smiles to his industriety or party and is showed with diagnace, supersition hides his lengthen d faresold stupidity is fored to fly—ginerand and projudice shall this—do primely fairched ince his smoking he shall the fair this fair hid the development of the his smoking he shall the fair this diagnament of the his smoking he shall the fair hid the whold in average barbrows slees chall to hear thy lawy, or as omnijotence, thy arm shall prove as eternia last the throne above, order Settlement, Nov. 22th, 1813.

e her everlasting gain e the king, the Lord of Heiste

The time, the time is now at hand To green glorious period birth; The Son of God, will take command And rule the nations of the earth.

APPEAL TO THE PEOPLE OF THE York, district of Maine, in

beir shapeless mound fast But they live in our tenhastening to decay. But they live in our ten-derest regards. In the affection of every saint while the world shall survive, they shall have an imperishable mansion; an everlasting monuorial to the legislature, hum

from them is, that 'our cause is just, but government has no power to redere suc? Pergardines are being made at the present time to resume our memoral in the halfs of congress. Should we fall of obtaining our rights from every source whatever, we still shall have gained one point, to make it apparent to all tha, words, that what was wanning in this case, was neither a criminal nor a prosecution? Another point we shall have gained, to be the discoverers of a deciderum in the constitution of the United States. If neither the civil court of an independent state, inciter its legislature nor the [great folgraf comneither its registature nor the great student com-pact, has power to guard the lives and proper-ty of Adeigican citizens, then we shall have and a accord discovery, that the framers of our reverend constitution did not understand the business of legi-lation. Were the venerable fathers of our indepen-

Were the venerable fathers of our indepen-dence permitted to revisit the earth, how would they frown with indignation at the disprace of their country. In vain they toiled, they bled in vain, I from of the states of the great E Plazi-losa Count, has a right to plander, burn, mur-der, and externinate from its borders, its peacea-ble effices for conscience, sake. Should we fall of reduces in the present courters, we shall der, and exterminate trom its owners, as peasant ble citizens for conscience, sale. Should we'y fall of redress in the present congress, we shall importune at every subsequent one, till we gain the object of our most antent desire. From our origin to the present time, we have been a law, shall grouple. Our book of Jases that we received by immediate revealism through our becomes the properties of the most explicit manner, and to transgress the laws of the land. That if Lawbreakers should be found among us, they are to be given up to larks of the land. That things we have always done. With all these fact's before the world, we believe that government has the power, amply and adequately to ets before the word, we believe that govern-ent has the power, amply and adequately to dress us. We expect it. We have the most alienable right to expect it. While the crim-

tites daily to the satirs, daine upon them in an ungharded hour, with between two and the histories and termal truth, we have under the histories and the hi government, will establish the most dangerous precedence, as others of a more direful natus will have license to follow. All past experne. We have sought ence admonishes us that in a republi ment, when vice and co

are sure to follow.

I will now relate a dream which I had, near the time that the Church of Jesus Christ of Latter Day Saints was driven from Jackson county, in Missouri.

was one of the ancients of the nation. He took from the bureau two or three small boxes; and as he presented one of them to me, exclaimed, these were the archives of state, and while in the act of placing it in my hand, finished the sentance he had commenced, but it is turned to the act of placing it in my man, massive sentifice he had commenced, but it is turned to blood? I saw while yet the words were on his tongue, the box dissolve to blood. Then I turned to view the other boxes; and they were also turued to blood.

With sentiments of respect, I remai, your humble servant,
BENJAMIN ANDREWS.

ANCIENT RUINS.

"MILLERISM.—Reuben H. Brown publishes in the Pertland American an appeal graphs people called "Milleries," that he has given away at his money to various biethren and in aid of the cause under the impression that the world was to come to an end on the 14th of April. His wife to cause to an east on a state of April. Illi Wil-tood him better, but he would fore lings to six-and cound of the Alliferites told him he was cray; but took his money. Now he says he finds that although life, world has by no means cound to an end, abs money has. He wants them to re-fund, but they place their fingers of their news and sell-dim he "can't come it?" Well; setrfund, but they p and tell thim he ded him right."

ADAM HORN, THE MURDERER.
A DESPERATE CHARACTER.
We have already stated, that Hom was convicted of the marder of his wife as Ibatimore, after the jury had been did but a few minutes. The Datimoria San has been able to collect many interesting and, startling facts concerning his history, which are worthy of notice at this time.

lory, which are worthy of notice at the lory, which are worthy of notice at the large and the was apprenticed to the tailoring business; and after serving out his time; he worked he was power Gormany, and finally arrived at Baltimore in 1817. He worked time days in that city as a journeyman, and was much esteemed as an intelligent, industrious, well beloved young minibuted a strong diskle, to the famale race, as much as an impression that they were entitled to serights lor, sonideration. Werman, according to his opinion; was only created as a convienience for the other sex, the serve in the capacity of a hewer of wood and drawer of water, she cook his wiretular and account of water, she cook his wiretular and account of water, she cook his wiretular and the sex, as helponton if or rough in serve when spokes to the sex, as helponton if or drain, in this literal sense, while he would deep her at second printingers and frields. And This social privileges and risults.

of contextment, and but few of the bitlers of discord. She married Hellman with the consent of the family, and lived with them two years, restrained by their presence from evincing the fundishness of

had then three ... year after their residence year after their residence year after their poison his wife, which addiscovered and provisted. For the year following this event he noparently became more mores and suller, but his came more mores and suller, but his came in the second used to it, and expected

that their death and resulted from po son, and that that posson had been administered to them by the hand of their father, by that hand which should have busshed away from their path everything that could harm them! The belief is now

examine Helium mination was decord-be result was, that not , or a bruise, could strot his person. No practically, was it thus the shadow of a doubt, as on his head." He

managed to get out of bed, and had erect in herewn bood on the floore whe was finally deepatched. Sin me cutta, apparently inflered with the life of an axe, were discovered on her. The haffed and arins were dread-bruised, as if she had, in the same of the blows sindle at her head, the floorest and off the blows sindle at her head, the forefinger of the right hand were those. A large gash, laving open flesh to the bone, was visible on the think, and a large gash, laving open flesh to the bone, was visible on the thigh, apparently inflicted with an and across the whole length of the men there extended in heavy bruite, a shape of the letter X. in the centre which was a large mark of bruised 1, at least six inches square. An attached the state of the letter X. in the centre which was a large mark of bruised 1, at least six inches square. An attached with the market with the same of the letter X. in the centre is had been made with the axe to asvie head from the body, and three separates, but he was been the floor, the work of the blody deed. Helman was to asvie he lead from the body, and three separates, and the same state of the blody deed. Helman was to asvie he lead from the body, and three separates, and the same state of the blody deed. Helman was to asvie he lead from the body, and three separates and the same state of the same state of the same state of the same state. It was to be same state of the same sta
