THE RECENT DISCOVERIES

THE RECENT DISCOVERIES

IN ARABIA.

We have befole us a letter from the second of the

translated:
We dwelt, living long luxuriously, in
the zenamas of this spacious mansion; our condition exempt from
misfortune and adversity. Rolled
in through our channel
The sea, swelling against our castle

in through our channel
The sea, swelling against our castle
with angry surge; our fountains
flowed with nurmuring fall, above
the lofty palms; whose keepers planted dry dates, in our valley date
grounds; they sowed the lard rice.
We hanted the young mountain-goats
and the young hares, with gins and
snares; beguiling we drew for the
fishes.
We walked with slow, proud gate, in
needle-worked, many cobored silk
evestments, in while silks, in grass
green chequered robes.
Over us presided kings, far removed
from baseness, and stern chastisers
of reprobate and wicked men. They
noted down for us, according to the
doctrine of Heber,
Good judgments, written in books fo
be kept; and we proclaimed out belief in miracles, in the resurrection,
in the return into the nostrils of the
breath of life.
We doe in injusted return the surge generous youth, with staff and
one generous youth, with staff and
for

read champions of our families and wives: fighting valiently, upon coursers with long necks, dun-ool-oured-iron-grey, and bright high. With our swords still wounding and piercing our adversaries, mil char-ging hone, we conquered and crush-ed this refuse of makind. The short inscription in three lines works thus:

reads thus: With hostile haste; the men of crime

Ve assailed; onward rushed Our horses, and trampled them under

The two line inscription, which is

ranspaceced, and united down, and covered their faces with blackness, Aws the Bent Ac.
On the subject of these inscriptions, fr; Foster, in his dedication of his ook to the Archbishop of Canterbury, uss remarks.

primeval ... end, at one faith of matterior, ace, to the idle soph "The inscription ry of unbelief. the rock of Hisn Chorab, a contemprary witness of the faith of the uncient of the old Arabiants, chang the state of things, placing beyond the savins of stephtism itself, at once, the scriptural doctrine of the restriction; and presenting to the eye this great Gospel truth. (to bord he language of Mr. Burks.) "Gove with the awful hoar of innumeral ares."

airal. for the twenty-four hours ending, few o'clock yester-ly vester-ly resing,?"

The bestth of Mobile is most giral ing. The Attendria Republican, Saturday, the 18th oilt, says: "We had raise during the week, and a champ atmosphere. The river is thus," and the prospect of a rise far fattering. The health of the parish enues good. The wester now is cand it has refined almost incessantly wenty-four bears. Winter is upon sure enough."

Miraculous Excape from Death.—We learn from the Philadelphia U. S. Gazette, that on Monday evening, 30th ut, when the passenger trans from New York crached Brisol, it was ascertained that it

noted down for us, according to the doctrine of Heber.

The following quizzeal story was told doctrine of Heber.

The following quizzeal story was told at emperance meeting in Hartford by the kept: and we proclaimed only be life in miracles, in the resurrection in the return into the nostrils of the breath of life.

The following quizzeal story was told doctrined from the properties of the breath of life.

The following quizzeal story was told at the properties of the breath of life.

The following quizzeal story was told at the miracle in the properties of the pr sany with some good fellows. I took a horn and when it was down. I right off wanted another, and in a very short time. I found myself about show fare you?! with twenty hores safe and analy; with twenty hores safe and analy; wider my bried basket. (Tremendoes lughter.) By and by it got time to go home; but as you may well suppose. I drawded to most my wife like the tootheckie—(Laughter). However go I must, so I staggared along hoping to find my wife about. When I reached the house, I found it still lighted, and through the windows I saw my wife up and waiting for me. (Laughter). Thinks 1.1 cant go in yet, but I must, wait till she goods to bed, so there I good, freezing in the cold rain two hourse. Them-shows lawyer pals and choires but finally, succeeded in getting to bed without disturbing her. (Larghter). But after down, sumbling own pals and choires but finally, succeeded in getting to bed without disturbing her. (Larghter). But after down you used to be just the took book of the cold without disturbing her. (Larghter). But after down you used to be just the circumstance of the cold without faster with me when I got up in the night to driph cold water. (Laughter). I her filly dared to get up, for forger fain I could bear, so out lerawled, and I groped very, sofily after the water pill, but ne water pull was there. I then felt could in the dark, on the tables and selectes. (Fewmendoes) can be believed. at they were printed in a hook!—
That (fike the kindred creed of the the of Ad) they were graven with an area of the correct of the of Ad) they were graven with an area of the correct of the of Ad) they were graven with an area of the correct of the of Ad) they were graven with an area of the correct of the of Ad) they were graven with an area of the correct of the of Ad) they were graven with an area of the correct of the of Ad (the of Ad) they were graven with an area of the correct of the of Ad (the of Ad) they were dealth and the latter day upon the corring and though, after my skin, which they are first of the of Ad (the of Ad) they were dealth and at the latter day upon the corring and the of Ad (the of Ad) they would down may cheek.
