#### THE NAUVOO NEIGHBOR

### Agricultural,

From the Massichus t's Plenghinni STEPHEN BRINLEYS FARM-

STIGHTEN BRINNEYS PARM.
Not-more than than thirty miles from, the girly of Blaston you may have noticel, on pietty blaston—a sloping surface in-clining to the south cast—the highest point-covered with pines, terns, and evergreens. At the foist of the slope, on the slope, on the south, gentle brotok mean-targ over the washed pebbles, for when-amore full real generous, it distributes its favors over the green horbuge and makes—rich a long than that yields without culture the winter supplies for at sleek herd of Red Devois and a few covert sheep.

Mr. Brinley's farm consists of one hundred aeres. Eighty of clered lamb, ten Brinley's farm consists of one hun-rers. Eighty of cleared land, ten 5, and ten of timber land. The acros of fortest lie morth of his ga and protect them as well as his one more than the lill advell. o is not so large as to go without and his barnis large enough to ledder and to shelter his stock.

his house, and to send that his house is set square with it instead his house is set square with it instead anging with a north and south line, the house stands on the north side of highway it faces southerly, and you not tempred in a cold day, to go rout d to back side to enter it.

6 evergreens see planted on the south

No evergreens are planted on the south the forcer on it from the sun in winter— are not admitted there but such trees as cealled deciduous, or mannerly enough dulf their caps as soon as they are found intercept light and warmth which is to intercept light and warmth which is wanted in the building in short days. But a belt of trees is flourishing on the west and north sides of the building belt ding definance to wind and snow, and look ing as fresh, through the whole winter,

as frem, tarough as a stand caster, the bar and on thouses stand caster from the dwelling-house and on the as side of the way, leaving the south as barches as from the manue has a barcompanies breezes in this authority. When the winds are in this auguste, when the offluvia is selden. r: such as accompanies breezes in this quarter. When the winds are rih or north cost the effluvia is seldon

In principal bard has a deep cellar under the whole, buttas it stunds up well on the along land in water studie under the whole, buttas it stunds up well on the along land in water studie under neath. and some body and revile them.

Why is Campbellism, as much like the carved head, that the wolfet saw in the cook shop?

Hecause it has so pretty an outside while within it has neither brains, soul, or spirit.

Why was John Calvin, so much worse them a butcher?

in Why was John Culvia, so much worse than a butcher?

Bocusse he burnt Michael Servetus, at the Calviniatic religious stake!

Why were Culvia's followers in New England determined to shed the blood of all who dared disent from their degmay?

Because Culvia breathed intolliem thereath of life, and brought them into existence.

Why are all the world disposed to persecute the saints!

It is only those who are influenced, by a spirit contrary to the principles of justice and honor.

The great excellence of spme noted men consists in defamation and detract

real worth or character ten they single out the b

comised to give my reasons why Clay is not to have any preference others as to a claim for the Presi-

other candidates together. Thus it has quite unexpectedly been the case, will unourable men who have only been guided by vague rumor, when they saw as heard for thanserves, they links been pricetly actied. Of the ming thou sand yatilet, a that come to this place every year, very few go away with the same on pressions on their minds, as they come with. They should fur the Productions.

arrived at an inn. They called soon a lighted taper, how in view, can as the old man holding it discov-their regimentals, he began to make ses and objected to taking them in-many words he was just going to them off, when his angelic wife and is the lisue, for Wushington was which the field, and it was well to him a feel and at court. The Presidential content is not terminated. Juench Smith is yet in the field; if elected he will-keep his pledge, which is to administer the laws in justice to all concerned. What the people wills he will sanction; then all honest men will have a friend at cohrs. To elect Van Buren is to sention the Sub-treasury and standing army. To elect Van Buren is to sention the Sub-treasury and standing army. To elect Clay would be for America to hithble hersoft. But to elect Gen. Smith would be to re-establish union, extend our commerce and again become a flappy people.

With the highest regard, yours.

#### THE NEIGHBOR.

FOR PRESIDENT.

# GEN. JOSEPH SMITH, NAUVOO, ILLINOIS. THE STATE CONVENTION.

THE STATE CONVENTION.
Our friends must not forget the 17th
inst. This is the time set apart for holding our State Convention, in this city,
for nominating electors, for this State.
Let the friends of Gan. Smith not be derelict in the performance of their, duty.
Many important questions, involving, the
election of Gan. Smith, are expected to
be last before the people upon that occa-

RIOTS IN CONGRESS.
From our recent accounts from Congress, it seems that enone of the members of that thenorable body are prepared for any and every thing but logislating for the good of the country. Clamor, ungovernable doublithins of passion, boist-arous delates on threadbare and isolated the property of the property of the conditions, seem to agrees their minds, while things that also of vital interest to the wolfa of our country are thrown saide as things of normal thread the conditions as the condition of the control of the property of the conditions of the American Republis. Upon both occasions, fights, profuse swearing and language the most rideus lous and abusive, was freely indulged in, and a general melce descerated the halfs of the Capitol.
Here follows a couple of extracts from the New York Herald, of the 37th vits. "CONGRESS RIOT" IN THE HOUSE OF REPRESENT VITYER. RIOTS IN CONGRESS.

"COMBRESS.—RIOT IN THE HOUSE OF REPESSIVATIVE PRESSIVATIVE CO. Qur nacounts from Washington are of the most printful and diagraceful character. It seems that ou Tu, sday morning, in a debate involving the opinions of Mr.-Liay on the tariff, a querral took place between two of the mombra, which in reased to a few seconds to a regular raw, or miniature rot, in which blows and bad language were, exchanged with great liberaitty, within the bar of the flouse's and during one of its regular sittings.

Such conduct, on any presence whatever, is utterly diagraceful to the House, in tutry diagraceful to the House, in uterly diagraceful to the House,

Such conduct, one my presence what ever, is uturly disgrareful to the House of Representatives—to the present for gress—to the nation at large—to the view age and time of day; it can only be jar uicled in the British House of Commons, or in ag itses enlightened—less moral—less intelligent than the present, in all that conferé dignity on bumen nature.)

A full account from various goveres, or these discounts had some will be found to the conference of these discounts from various governs.

reclaim the character of the House of Representatives, and blot but the black his spot on its reputation? Something should die to done stronger than soap and water-and why should not such brawlers and riotant or be formally expelled by the orderly.

all of which was duty superiored by she floors; and chen the bunces of legislation went on as ubun!. How does the patriot and well wisher of his country view such transactions, occurring with hose who have the paternal watchcars and oversight of out national institutional Oally think of the mational institutional Colly think of the mill go'to foreign nations and be buiffed as a fire-brand against republican imoderation! Lords of regal patrioaged—articorle Lords of regal patrioaged—articorle Lords of regal patrioaged—articorle Lords of regal patrioaged—articors of kingly dynastics!—itok to the American Congress for examples of dignity and patterns of deliberation! Such transactions are not only defrimental to our exalled character abroad, but they are digustain and loss home in the éair of the contraction of the contrac

transactions are not only detrimental to our exalled character altroad, but they, are disgusting and loothsome in the data martin of every lower of good order, at home.

Or father, fullon Sanate! O, degenerated people! How have you departed from the court national Pathers our before the martin of the court national Pathers our before the same of patriolism wirring your booms, if there remains, with faithful mannery, is single recollection of the character, and goodness of this illustrious man, let them simulately you to use your every exertime to prevent such blots of corruption from aulying the future history of Congress. Something must be done to check the growing turbulence and riologue disposition that pervadus our land. If not, the evil which now, by deliction measures.

sharts feater and purse the set vain dissolution. They prate about this and alone of country but the same that the set of country but the same that the set of country but the same that the set of country but the stone. They would burn a stripe tools, their dwn egg. As such present come into office the stripe sopole should their nices from their mushroom post. I cause them to be
