WEDNESDAY, JAN. 8, 1815.

AT Having received assupply paper for the Neighbor, we shall en denvor to make our weekly issue reularly hereafter.

STEALING.

A man by the name of John Bras A man by the mane of John Bran-non, came to Nauvoo, and said "the was a Mormon." His brotherly love unred out, that he stole from a Latter day Saint, a watch, a pair of parti-loons, mittens, &c. and d campete." The person he robbtd followed after him; regained his property and sea him to Carthage jail.

him to Carthage jail.

Now if the the arrounding country
will take up their thieves; we will
take up ours, and thus rid the country
of all thieves. Monthi, inoborratie,
or-mixed. Fair play is the jewel,—
We know of no Monnon thieves, but if there are any, which have slipt into our midst we are ready and willing to turn the Carthage Screw upon them." Will the grumblers apply the screws to theirs?

THE WEATHER.

The weather has been very warm boats have been up the riverms high as Warsaw, and had there been suffic ient water upon the rapids, they could have gone to Galena, for ought we now to the contrary.

shade as high as 65 deg.

ANOTHER MORMON EXPOSE.

Mormonian.—The Springfield (III.) correident of the St. Louis Republican says: 19
mentioned here that Wood, who acred as
of Joe Smith's coursed at the time of hi,
hi and according to prevail on the "proph"y wife to make a full exposure of Mormon
, and to sillow him 55 publish it, and that
has about conserted so to do."

TRADES MEETING.

On Tuesday the 7th, the Lecting met as usual at Mr. Store, to hear the report of the Committee concerning the dam erected in the Mississippi river.

This report, so far as made highly satisfactory, but it was d highly satisfactory, but it was deemed advisable to aid Newell Knight to the dominities, and give them further time to report; and also to confer with the Trustees in Trust &c., and report at the next meeting. Mr Robreport at the next meeting. Mr. Roberts from the Carriage and Coach making Association, reported that that branch of the Trades were rendy for Adjourned till the 14th.

JOHN TAYLOR, Ch'n, W. W. Phelps, Secty.

MORMONISM IN LONDON

iy of an un-louded morning in summer.

SEVENTIES LIBRARY
MEFTING.
City of Nauvoo, Jan. 5th, 1845.
The following members of the board
Trustees, of the Seventies' Libraand Institute Association convened
of the structure of the convened
Col. A. Lyman's dwelling, viz.
A. Snith, Ambas Lyman, Levy
uncock, A. Cartington, James Mono and John D. Lee.

Huncock A. Curington James Mon-roe and John D. Lee.

1st. "Pic house was called to or-der by Pees, G. A. Smith.

2nd. By mutual consent of the board, Ced. A. Lyman was ap-pointed Librarian, and Mig. J. D. Lee, Registers of this Association.

303. Honds with approved surery was taken of the officers elected, for the statistical pengariannee of their res-pective duses.

pective duries.

4th. Agreed by the board, that the laborary should be opened on each Friday. for the purpose of resciving and letting books 7th.

5th. The blowing by clars were

the Chirary should be opened on each Triday, for the purpose of year iving and letting books Zie.

5th. The Ribboving by clairs were, enacted by the binned for the regulation and benefit of said Association.

BYE LAWS.

Article 1st. It shall be the duty of the Rigistray, to keep a faithful account of all the meetings of the Tusic trees, also to keep all the records of said Association; to receive and let entropy and the records of said Association; to receive and let entropy and the receive and the transport of the Ribbovian and the account of all books and other articles that are people for the receive. See.

2nd. It shall be the duty of the Librarian to keep a full and complete, secount of all books let out and returned; also to keep the Librarian to keep a full and complete, secount of all books let out and returned; also to keep the Librarian to a full trustees—may from time to, include the receive and to collect all fines and decreat; and to collect all fines and decreat; and to collect all fines and decreat; and to collect all fines and decreated and the said of the receive and the said of the receive and to collect all fines and all books over the value of one dollariand and the said and the said of the receive and to collect all fines and the said of the receive and the said of the sai

5th. All-those who ineglect to return their books ancording to article 4 shall pay 5 cents per week extra for each volume, and it said books are not returned within six weeks: the dierson who draw them shall also be subject to a fine at the Librarian's dispersion. 6th. Every person who may damage any books or pither articles drawn from this Library, shall pay for such damage—the amount that now be laid by the Librarian.

7th. 9th shall be considered that a member by recommending any person to the Librarian, for the purpose of drawing books, tracks himself responsible for the books, fines and dues, that they could not control of said person.

00 Apology In consequence of the press of other matter this commu-nication has been unavoidably growd-ed out heretofore.

TRADES MEETING.

to fock and timber we have above, as kind of wood would lo, as a youngers and would start, against the flood. Mr. Heavit made an estimate of one life, he had thought at first it would be object a project to orderstee but since had made an estimate of its express, to believe that power for ten milije un, columned as much as can be on atom, and an estimate of the project of the pr

h.m., I have a second process of the control of the

Mr. Leonard salt that the hald from try-ing to persuade some of this follow craft to go futo the views of this meeting in-inaking hats.

The clear moved that Mr. Leonard bei-instructed to form a union.

Mr. Watt wished to form a union och its shade are Teilor.

The clearmant said that it is the prin-ciple of this meeting to patronize only their two monofic threes, and that h-formatic and is coming south proposed. From the part of the control of the part of the control of the control of the said free can be majorificationed as such period.

NOTICE TO THE NAUVOO LEGION.
To the officers and soldiers of the survey Legion conterning the public mass of the States gain well known to out that after our Charles was busined from the State ga. Legion was creating to the first state of the States gain well beginn was creating to the first state of the states of the first state of the states of the body our proportion of million arise. Accordingly we received through John C. Bennett who was then claims and allowed the proposed of the state, and also Major General of the Navivo Legion, a partition of the papillo. They were made and the state, the mainter we do and of the State, the mainter we do and of the State, the mainter we have any of the State, the mainter when the state and we had nothing to day will it; it is also known to you that last summer at the lime of our troubles in this county that the Court for demanded the state arms to read the last summer at the state arms to the lagion, accordingly Lieut. The rank and sile, in nearly all the regiments, laving fallen below the Court for demanded the state arms to the lagion, accordingly Lieut. The rank and sile, in nearly all the regiments, laving fallen below the Court for demanded the state arms to delivered pocording to the General Joseph Smith ordered them to be delivered pocording to the General Joseph Smith ordered them to the livered to complement of the lagin was gradually to be reduced under the Commenced on the list of May last, the commenced on the list of May last, the commenced on the tist of May last, the commenced on the troops, the linding who is the Governor agent to receive the remainder, of the public arms if there were any in the possession of the Legion.

We have called on both officers and soldiers to forward to us immeditely said arms that may be in your possession—it such and the fact that we may deliver than to the agent—from the best information we entire that it is state arms were not delivered up they have been carried off by those who have inportained and left the country, as J. C. Bennett put them into the hards of several individuals without mixing them responsible for the hards of several individuals out in sting them responsible for arms? the number that was rect we have not been able to as in, but with that offers and solve to pay attention to this call.

The saffering which, the store has
pardened in Stody 10, it has the two store
that Stody 0.1 its estim was from
the Videal Akrisht, opposite Market
Spaare, castrely of the wastern extennity of the Charter street burying
ground, and southerly from Front
street to the Southviere. Probably
some forty or fifty buildings of all descriptions.

According to standing policy, to revent Indian hostilities, by the experience of the policy of military force on and be yord our frontiers, detachments of the first regiment of dragoons have gode in the past season wide circuits in the Indian construction the postion of troops have been made within the year.

To extend instruction in light of torse artiflery, at two of thosehood.

To extend instruction in light or torse artillery, at two of thesechools for flat purpose, a company of the sid-critical purpose, a company of the sid-critical purpose, a company of Market and the side of the side of the Market and North Carolina, to Fort Market and Same Battimore, to join be sund-regiment already there and it company of the 4th artillery has been transferred itames, to Carlise been transferred itames, to Carlise Sarracks, Pennsylvania, to Jin Caro-characks, Pennsylvania, to Jin Caro-

been transferced theme, to Carlisebarracks, Pensylvania, to him Captain Wishington's company of the same regiment, where it was previously established.

At the other two light artillery schools—Fort Adams, near Newport, Rhode Island, and Fort Hamilton, New-York Purble—Sor the 1st and 2d regiments of artillery, respectively, there were already several companies of the same regiment, besides its light company.

requients of artillery, respectively, there wery already present at each several companies of the same regiment, besides its fight company.

Judging from the inspection reports received, as well as from wide personal observation in the past season, the comonical arrangements and responsibilities of the army are excellent, and susceptible of but little improvement. The tactical instruction and general soldnership of the white are also good and progressive. A fine spirit of discipline—that is, exact obstitute to the spirit of the spirit

tained to be thirty-five proceeding year. This denotes a very satisfactory improvement in the rank and file, taken in comession with the fact that an illegal punishment has soarcely been heard of within the fine.

As I have once before attempted, been the tand through the Executive, to interest Congress in behalf of a soldier surfered or asytum for worhout or disabled mean.

Trementions Snow Storm on Long Island—Suspention of Travel.—The Xi X. Journal of Commerce of the 14th says that the storm of the 14th says that the storm of the 14th was one of the leastern terminus of the Island. The snow tell are freenport, the Fastern terminus of the Islandicot, and for a distance of thirty five miles West from that place to the depth of from ten to twelve feet. Gangs of laborers are employed along the whole rout in clearing the snow from the railroad track.—They were aided by seven lecomotives but were not expected to succeed in effecting their object before Monday. It is expected that travel will soon be resumed.

resumed.

Sitifulness of Sparking.—The Free Will Baptist, General Association, larely hoden in Plainfield, N. Y. rest solved, among other things, "That no rulightened Christian can innocently carry on a courtship by late sitting."

The Place of Hunor.—This place of honeir has been accorded to the United States in the decorations of the new Royal Exchange in Jondon; the emulation of the sew Royal Exchange in Jondon; the emulation of the west portice, and the United States over the east portice. The structure bearings of other nations are emissioned to the United States.

Topicled the Wioning Men.—A man in lowa suspected of horse stealing, was waited upon by a sail amonhated deputation of the pupple; They soized an individual they suprosed to be sim, and inflicted a severy disreging.

7. Zivley Mr Nauvoo, Jan. 1, 1845-35-3w

Zarby Mr

ELAS SMITH, P. M.

Nauros, Jon. I., 1845—35 MITH, P. M.

PAR. HUGH PATRICK, Dentist.

The begs to announce to the ladies and gentlemen of this city, his removal to that part of the post office, later to that part of the post office, and returns the sincere thanks to the later could be a provided since the market of the post of the post of the would assure that the troe, and in doing so, be would assure them the amen urrenjing attention; which has faitherto gained for him the approbation of those by when he has been favored, it shall be his constant object to cultivate.

GOLD AND SILVER SMETH.

Also H. Patrick, logal seave to inform the public in general, that he continues mahufacturing the varrous articles in the above line; rings, broaches, pins, seals, keys, bracelest, chains, and various other ornaments too numerous to mention, two thirds of the payments expected in cash. Old gold and silver taken in exchange. Natwee, Jan. 1, 1845–1850f.

TO RENT.

MMEDIATELY upon shares, a farm miles of Nauvo, also another lot of thirty eight acres. As rails are wanted, a tenant that could furnish from 12 to 18 hundred would be prefered.

Fyr terms apply to

Aould be prefered.

TWO STORES.

AVID D. YEARSLEY has opened two Stores, one in the building listly occupied by Gen. Joseph Smith ab a store, one water street, the other on Mulhalland street, a little east of the Tem. Die: the Keystone Store, where he will-accommodate his Irfends and the public, with Dry Goods and Groceries to their hearts desire. A quick "yie" being bet ter than a slow "bit."—he means to sell cheap for cash and produce.

One man can not do everything, nor have everything, but he means, with two stores to do p double business; and keep a good assortment of Grockery and Hard-tearri also.

Being fond of company he wi-hes all to call and ser.
