From the Boston Eyening Transcript.
ASTONISHING EACTS IN RELATION TO THE EGYPTIAN PYRA MIDS.

### Foreign News

By the Cambria at Boston-on the 18th

### We make the following extracts:

scaped from the inundation, have poured temselves over the adjacent provinces, eggared of all things and crying for read.

## THE QUEEN'S SPEECH.

My Lords and Gentlemen, I rejoice that I am enabled, on a-in meeting you in Parliament, to orgratulate you on the improved conition of the country.

Increased activity pervades almost very branch of manufacture. Trade

reign Powers and States assurances for of their friendly disposition.

The journey of the Emperor of densist, undertaken at a great sacrimut fice of private convenience, was a proof of the friendship of his importal, and Majesty most acceptable to my feel-pee

good understanding as essential to the best interests of both; and I rejoiced to witness that the sentiments so con-dially expressed by all classes of my-subjects on the occasion of his Majes-tylavisit, were entirely in unison with own. Gentlemen of the House of Com-

Gentlemen of the House of Commons,
The estimates for the ensuing year have been prepared, and will forthwith be half before you.
The progress of steam navigation, and the demands for protection to the extended commerce of the country, will occasion an increase in the estimates connected with the naval services.

My Lords and Gentlemen, My Lords and Gentlemen, his coirage for Law colored with the improvement which is transifiest in other parts of the country has extended to Ireland.

The political agitation and exitement, which I have neglectore had we in 1. (Spreiment, which I have neglectore had we in 1.) (Spreiment, which I have neglectore had we in 1.) (Spreiment, which I have neglectore had we in 1.)

ocen the subject of recent enquiry before a commission, the report of which shall be immediately laid before

It will be tuging state of the information and suggestions contained in that report shall enable you there to devise the means of promoting the the thealth and comfort of the poorer classiss

to determine whether it may not be expedient to continue its operation for a further period, and thus to ob-tain the means of adequately provid-ing for the public service; and at the same time for making a reduction in other taxation.

her taxation.
Whatever may be the result of ur deliberations in this respect, lecassured that it will be your determination to maintain an amount of and firmly to uphold that public credit which is indispensable to the national

and commerce have been extended at home and abroad, and among all classes of my people there is generally all commit the important matters to which prevalent a spirit of lovalty and cheer ful obedience to the law.

I continue to receive from all Foreign Powers and States assurances of their friendly disposition. be enabled, under the superintending care and protection of Divine Provi-dence, to strengthen the feelings of mutual confidence and goodwill be-tween different classes of my subjects, and to improve the condition of my people.

Majesty most acceptable to my feelmean of the consecutive for th

be a very violent harangue, designed to inflame their passions. I told my company that this council would de-cide our fate. They asked how I knew this. If they come down, said Liviendly, we have nothing to jets-but if suky, and out off numor, we have nothing to home. Indians who lefo were sociable were now distant and sulky. When spoken to by any of us they made no

answer.

The friendly chief and Big Star who had taken no part in the council now came and shock hands with us and bade us farewell. I besongh them to stay with ds; shaking theil heads sorrowfully they wend away.

The resident from towarderly in

kill us. They answered, that the Spanish Governor at Santa Fe, ha

and free, and brothers to the Americans. This was the first news I had heard of the Maxican revolution.

The Camandles all work down the river, offering no further violence to us, and we started for the Spanish camp the same day.

# For the Source Artifator, ON THE LAMS OF NATURE, Concluded. The laws of nature are those eterrinciples which exists in, or pergades

ness by official favors.

Interesting Rella.—The Cathrangh
whig, of a late date, mentions, that Gov
ernor Binekanake, the Grand sachem o
the Indian Nation, was in the place
Itersides on the Aleghamy Reservation Sx Nations-a neph Brade and uncer of Jacket. He was born Lake, in the year 1740, least of age. He was in Stanwing Myoning Section of Gen. Washington

ock on Tuesday o'clock Mendian, and mercy on his soul.

Piracy of the Chinese.—We learn through the New York Commercial's cor-respondence of an act of piracy upon an American vossels in the China seas. The following is an extract:—

WEDNESDAY, APRIL 23, 1845.

OUR RIGHTS

All men should be autiled to two kind rights:—institud and artifigial. Na-al rights are embraged by life, liberts d the pursuits of happiness. Artificia rights consist of powers granted by leg

enocent people with impunity. Each

was on assumption of might not a pre-

government now existing. They waive the right by appointing men to make laws for the safety and convenience of

ments. Human law, the artificial contrivence of intellect, is not binding upo honest man; nor should it be

ots. Laws are for transgreators.

The Legislature have repealed the Nauvoo charter; and what then? why, is upunity., Who is to bear the loss of the erivate rights which have been infring upon by this repeal Can a, private, in sue a Soverbiga State? vil the Lieutenaut General, the Mai lenerals, &c. take rank according their grade and date of commission

vided or community to resist oppression For this reason, until the blood of Joseph and Hyrum Smith has been atoned for has not redeemed the broke State; but upon the contrary allowed an indicted murderer to sit in th Legislative Iblis, whereby the whole

State becomes accessory to the orime! Impartisher is as bad as the thief.

Neither should civil process come to Nauvoo, till the United States, by rigorous chort, causes the state of Min every man that has suffered the loss of SWEET LIBERTY,! From this day lands, goods, or any thing ease, by exput forth, let the saints beware! there is soon and the robbery from the one State nothing but reguery in xillainous man.

martyrdom and State plunder in the Commissioners can be appointed late, where the clandestine forms might require the strange work

Jod to rebut it.

Let it be proclaimed to the ands of the earth that the lives of the Saints-Tare herr own property, and that they are bound to protect them, and that they will in the name of Israel's God.!

If any man is bound to maintain the

s for the henefit he may derive No man can be compelled in a buntry, to support a law that de-him of his natural rights, when on "Thus," says Blackstone, "the King Edward IV. which
