Storm in Washington County, M1.-The Hagerstown News of the 14th iss

The tangerstown stown occur outsits says:

On Thorsday decraom our county was visited by a most severe thunder storm, which continued for sucreal hours with unabated violence. We understand that he high wind which accompanies that the high wind which accompanied the rain, completely prostrated whole acres of wheat, much timber, and in several insidences unroded harns and other buildings. As the storm was very extensive, we fear that our country, has affered much. Hurning Fields of Grass and Grain—We learn that on Sturday hast the sparise from a locomotive on the state railroad set fire to a role of standing

rested by cutting flown a strip of wheal in the adjoining fields.

We see it stated that a spirk from a locomotive on the Winchester and Potomic railroad, on Monday week, set first to a field of gene, wheat, which by the instructive exertions could not be subdued until about ten acres were consulted.
